SUMMARY

I am a third year Computer Science student who is eager to get real-world experience and collaborate with forward-thinking individuals. My passion for coding has led me to actively pursue learning outside of the classroom by taking bootcamps to expand my knowledge and cast a wider net in the programming world. With my energy and enthusiasm, I am ready to contribute my creative thinking and dedication to every task I am given.

EDUCATION

Texas Tech University *GPA: 3.43*	Bachelor of Engineering, Computer Science	May 2024
University Of Maynooth **In Ireland**	Studied Computer Science specifically Data Structures	July 2022

PROGRAMMING PROJECTS

Personal Website – *cavannatal.github.io*
- Static website built utilizing *HTML* and *CSS* skills
- Researched new *CSS* properties
